

Dear Students,

Greetings and welcome to Fall semester! We are thrilled to welcome you to Chinese Culture University (CCU)!

There are of course anxious times particularly for you as an international student waiting to start your journey. We are keenly aware of the hardships many of you have overcome to get where you are today, and applaud your determination to study abroad.

As the Vice President for International and Mainland China Affairs, I would like to inform you that as soon as the Ministry of Education announces the relaxation on international students' entry to Taiwan, we will send you an email providing information about visa application, quarantine hotel booking and all the information you need to prepare your entry. Our office is glad to assist every student to meet the entry and quarantine requirements. In the meantime, CCU strongly recommends that you get vaccinated before coming to Taiwan. In response to the ongoing COVID-19 pandemic, we think it is the best way to protect all of us.

Once again, let me welcome you to join the CCU family and wish you a smooth and safe journey. I look forward to seeing you on campus.

Sincerely,

Wei-Bin Ben CHEN, Ph. D.

Vice President for

International and Mainland China Affairs,

Chinese Culture University
