

Why CCU?

A Location for Healthful Lifestyle and Opportunity

CCU is located in Taipei City and adjacent to Yangmingshan National Park, which gives students convenient access to the international political and commercial center of Taiwan and trails of the beautiful mountain.

Exposure to Chinese Culture Atmosphere & Environment

CCU offers strong programs on Chinese philosophy, literature, history, music, Chinese drama, dance, and martial arts within the unique and attractive architectural complex in Chinese traditional architecture style.

Diverse Range of Disciplines

With 13 colleges offering 62 undergraduate, 42 master's, and 10 doctoral degree programs in its disciplines, CCU is known as the most comprehensive and resourceful university in Taiwan. We encourage and assist our students in selecting Interdisciplinary Course Programs to enhance student's employability.

Collaboration, Creativity and Professional Learning

On CCU campus, you will find dynamic classes with creative students and professional faculties ready to work together. Pick up a camera, or put on your lab coat to begin your first adventure right from day one.

Community Filled with International Reach

With more than 400 partner universities worldwide, CCU has been an active member of the international academic community for many years. We offer chances and scholarships for students to reach out and explore the world and experience life from different perspectives. Based on CCU's mission, we have developed international programs that create global citizens.

Convenient, Safe, and Friendly Campus

CCU has a cherished tradition of providing cultural exchange activities, free Mandarin Courses and academic English programs, and enthusiastic study buddies for international students. The comfortable and multifunctional library, university museum, art gallery, and modern gymnasium will deepen your study at CCU.

Diversified Activities Enrich Your Life

More than 150 student clubs and organizations provide students with a vibrant life experience and recreational sports with plenty of activities for international students to enrich their learning journey.

The CCU Family - a Powerful Network

More than 240,000 alumni around the world have built up a dedicated, resourceful and innovative network. Once you join the CCU family, the pride of "the Hwakangans" is with you for a lifetime!

Chinese Culture University (CCU) was established in 1962 with the founding mission to carry forward Chinese culture by means of inheriting and developing the academic legacy, the wisdom of past sages, and scientific achievements all over the world. With more than 26,000 students in 62 undergraduate programs, 42 master programs, and 10 doctoral programs, CCU has developed as one of the most prestigious comprehensive universities in Taiwan. CCU has a vast collaboration and network with top universities around the world. Ten percent of our students are international citizens from 40 different countries. CCU received the "National Sustainable Development Award 2014" and "Friendly Campus Award 2015" in Taiwan, and ranked #401-450 in the 2022 QS Asia University Rankings. In 2023, 《Times Higher Education World University Rankings》ranked CCU No.9 among all private universities in Taiwan. CCU also ranked top 10 Taiwanese Universities in literature, law, and business areas by Global Views Monthly magazine. CCU is the second most prolific university regarding students' participation in competitions and publications of theses. These records have proven that CCU has played a leading role in the academic world.
